

LocalLink Classifieds*

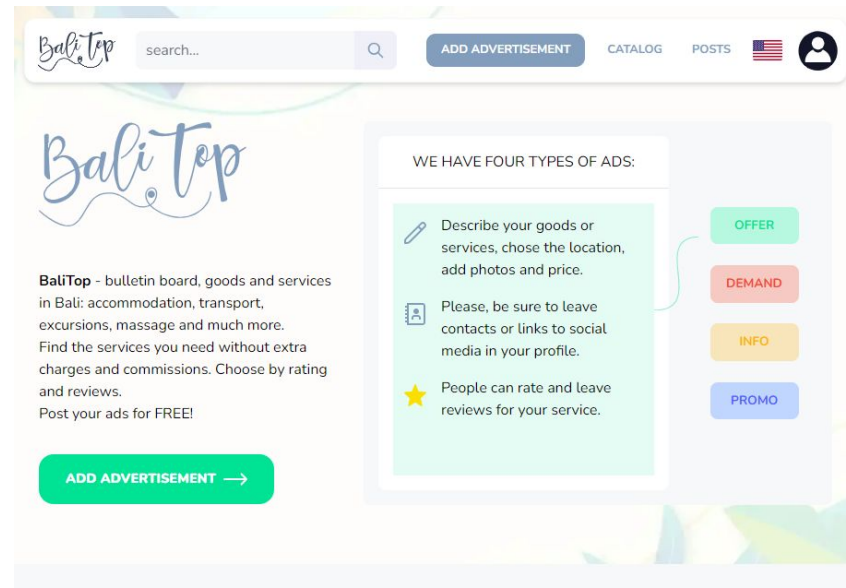

A classifieds platform bridging the gap between tourists, expats, and local service providers

* - Temporal project name.

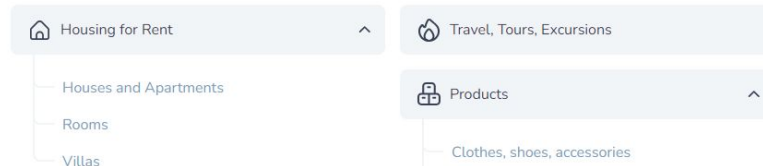

Options also being considered: GlobeListed, ExpatEdge Classifieds, TouristTrove, WanderAds, GlobetrotterGrid, NomadNotes Classifieds, JourneyJunction

INTRODUCTION

Welcome to the future of global tourism: A transformative classifieds platform uniquely tailored for tourists and expats, merging local services and global needs in an eco-conscious and socially responsible manner.

CATALOG

PROJECT OVERVIEW

The Concept

A classifieds platform focusing on tourists and expats, scalable and deployable across various countries.

A bridge for locals to reach out to the world and for travelers to immerse themselves deeper in authentic local experiences.

Current Achievements

Successful MVP launches in three tourist hotspots: Sri Lanka, Bali, Mauritius.

Multilingual interface to cater to a global audience, underpinning the core functionality.

Our Mission

Beyond classifieds: We're on a quest to advocate smart consumption patterns to better the planet and reduce socio-economic disparities.

*Already
launched in:*

Sri Lanka
ceylon.top

Bali

Mauritius
mauricetop.com

PLATFORM HIGHLIGHTS

Multi-region & Swift Deployment

Set up quickly in any location, tailored to regional specifics.

Comprehensive Ad System

Offers, requests, informational events: We cater to a wide spectrum of ad types to serve various needs.

User Engagement Tools

Ratings, reviews, and structured browsing ensure maximum user engagement and satisfaction.

A Treasure Trove for Travelers

Not just classifieds, but a holistic travel companion, offering invaluable resources and insights.

WE HAVE FOUR TYPES OF ADS:

-  Describe your goods or services, chose the location, add photos and price.
-  Please, be sure to leave contacts or links to social media in your profile.
-  People can rate and leave reviews for your service.

We lived in this villa at the end of October. Amazing! Very cozy, beautiful)
the owner helped and promptly resolved all our questions.

FUTURE VISION: ROADMAP & GOALS

Dynamic Ad Features

Introducing expiration dates and geopositioning, adding another layer to our ad versatility.

Mobile App

The mobile application provides travelers with real-time, on-the-go connections to local services, enhancing engagement and convenience.

Technology Enhancements

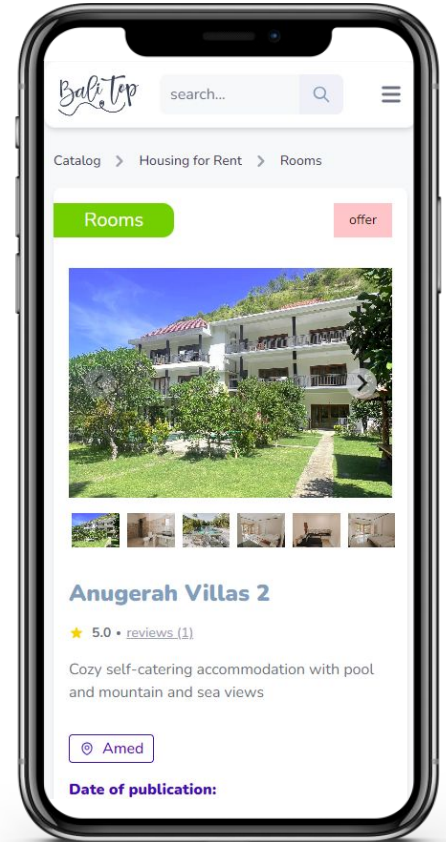

Automatic translation for real-time global reach, and a mobile application for on-the-go users.

Engaging the Community

An innovative bonus system to reward user interaction, content contribution, and brand loyalty.

Monetization Strategy

Once we achieve the critical mass in traffic, we have a blueprint ready to ensure the platform's sustainability and profitability.

INVESTMENT & PARTNERSHIP OPPORTUNITIES

Global Partnership (Platform-wide)

Engagement: Pivotal in shaping the platform's technological evolution and mobile app development.

Rewards: An influential stake in a groundbreaking global platform with potential returns from diverse markets.

Localized Partnership (Country-specific)

Engagement: Be the local champion – liaise with service providers, curate content, and fine-tune the platform for regional success.

Rewards: Secure an authoritative presence in local markets, enjoy the fruits of localized monetization, and be the face of the brand in that region.

WHY PARTNER WITH US?

Pioneering Model

Walk into an untapped market with a proven MVP model that showcases flexibility and adaptability.

Sustainable Vision

Our commitment to the planet and socio-economic welfare promises not just financial returns but ethical investments.

Tailored Engagement

Flexibility in partnership models: Whether you're looking at global horizons or local dominions, we've got you covered.

JOIN THE REVOLUTION

Let's reinvent how the world travels, trades, and connects.
Become a part of this transformative journey, reshaping the tourism and
expat industry for a sustainable and connected future.
